Hi, Kay!
I'm happy your family is going to visit Costa Rica.

There are only two seasons in Costa Rica, the rainy season and the dry season. It often rains during the rainy season, but it doesn't rain every day. People can go to the beach on sunny days.

During the dry season, there are a lot of things you can do. People usually enjoy going to see the volcano. You can't do that during the rainy season. They also like going to the butterfly garden. I'm glad you're going to visit me during the dry season. We'll have a lot of fun together.
