Donna's Homepage

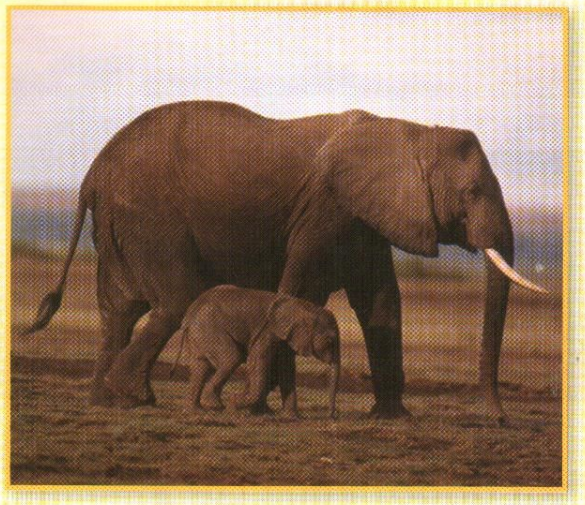

Welcome to Donna's Page!

Today was the best day ever! We woke up at dawn and ate breakfast. I ate cereal with honey and drank coconut milk. I've never drunk coconut milk before. It was delicious. Then we went on a safari into the Serengeti National Park. Did you know that safari is a Swahili word? It means "journey." It was my first safari. I have seen giraffes and elephants before in the zoo. But I've never seen them in the wild. I took a lot of photos.

Tomorrow we're going to go to the Grumeti River. We can see a lot of crocodiles there. I've never seen crocodiles before, either.
